August 2008

Peter Lovie 29m newbuild, Macduff

Woodsons are delighted to have been chosen as the main electronics suppliers for Peter Lovie's impressive new 29m whitefish stern trawler Endeavour IV. Work will soon start installing an extensive array of electronics equipment including all communications, fishfinding, navigation and entertainments equipment. Endeavour IV will be skippered by Peter Lovie along with sons Ryan, Andrew and David and is due for completion early in 2009.

Endeavour IV arrives, towed into Macduff Shipyard, for completion
